The attached registration form, which has been printed on a "Business Reply Card," MUST be used to report out-of-work and to register for referral (place your name on the out-of-work list). This form may be delivered to the referral office in person or it may be mailed. Be sure to mark the classifications of work, on the reverse side, that you want to be called for under No. 3. If you are mailing this referral card, fold it so the address is facing to the outside.
